MEMORANDUM FOR: Director of Logistics

SUBJECT: Issuance of New Task Order - Contract 911

25X1A

25X1A 1. The Technical Proposal, attached, was received from [REDACTED] and relates to the issuance of a new Task Order to Base Contract 911. The period to be covered in the new Task is from 1 April 1963 to 1 April 1964. The OEL Staff has reviewed the proposal and considers it acceptable.

25X1A 2. [REDACTED] is presently engaged in applied and theoretical research studies leading to the development of new and improved intercept techniques; the computerization of electronic intelligence data to facilitate storage and recall; the application of advanced analysis techniques; and the development of electronic countermeasures devices. [REDACTED] has contributed to the solution of problems in each of these areas which justifies extending the contract for another year. Additionally, other Government agencies have contracted with [REDACTED] for the development of ELINT collection and analysis systems which is of interest to this office from a community standpoint.

25X1A

25X1A 3. Requisition ELR-63-221, attached, substantiates the [REDACTED] obligation incurred by OEL in support of this contract. It is requested that Security and other features of Task Order number 2 be duplicated in negotiating the new contract. [REDACTED] extension 6941, has been designated project engineer for this contract.
